

PRODIGY™

e-learning at its best!

Best e-learning Content

Multimedia Rich Learning

International Standards

Experiential Learning

Consistent Delivery

About us

PRODIGY™ is a complementary teaching aid that is intended to assist the teacher in delivering her lessons and to facilitate better, more effective student learning. It is not a replacement for the teacher. Being a hybrid model, it can also be used as a self paced interactive learning mechanism directly by the students.

Key Features & Benefits

Using **PRODIGY**™ in a classroom visibly improves attention span and has been proven to enhance understanding and retention. Further, it has various advantages for all other stakeholders – the school management, parents and teachers – as listed below.

- ✓ Increased Attention Span
- ✓ More Involvement
- ✓ User Appeal
- ✓ Learning Retention & Reinforcement
- ✓ Immediate Feedback
- ✓ Teacher Friendly
- ✓ Online Access
- ✓ Learning Measurement
- ✓ Dynamic Repository
- ✓ Best Value for Money

Content Structure

PRODIGY™ redefines and structures the classroom delivery model by disintegrating every lesson into multiple learning objectives. Every learning objective is then delivered divided into a logical sequence of sessions that facilitate classroom delivery.

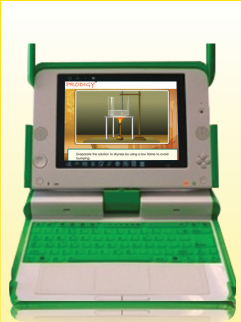

Content Repository

The content repository is in the form of learning objects. A group of learning objects forms a learning module or a lesson. A learning module delivers a set of learning objectives. The repository is loaded onto the LMS.

Stake holders	Need	Need Gap	Caveat	The Prodigy Advantage
S T U D E N T S	<ul style="list-style-type: none"> To understand concepts clearly To apply the concepts learnt in practical situations To perform well in the examinations 	<ul style="list-style-type: none"> Too much theory to grasp Intense pressure to perform Dependence on extra coaching classes 	<ul style="list-style-type: none"> Should not be a copy of text in digital format Should not replicate lecture format without interaction 	<ul style="list-style-type: none"> Conceptual clarity Experiential learning Application of concepts learnt - dynamic exercises at the end of every session
T E A C H E R S	<ul style="list-style-type: none"> To impart knowledge To ensure all students understand all concepts To complete prescribed syllabus within time To ensure good performance of class in exams 	<ul style="list-style-type: none"> Tight schedule - no room for creativity Repetitive exercise to deliver the same content over and over again 	<ul style="list-style-type: none"> Should not attempt to replace teacher Should be easy to operate and use Should allow the teacher to add her unique touch and edit the content Should keep pace with changes in syllabus 	<ul style="list-style-type: none"> E-learning can assist the teacher in bringing concepts alive in front of the students Consistent delivery across various classes Ease up time to go beyond the text Powerful tool to administer tests, gauge performance and understanding Flexibility to create own lessons by mixing modules from the database

PRODIGY™ Unique Advantages

PRODIGY™ The Advantage

- Reduced importance of teachers role by offering core content repository in the form of learning
- Flexibility to customise contents for different schools
- Addresses the requirements of various curriculum like ICSE, CBSE, State and Matriculation boards
- A next generation e-learning product
- Visually appealing graphics and animation
- Thrust on conceptual clarity rather than delivering the textbook online
- Focus on practical applications of the concept
- Tremendous flexibility to teachers to organise their own lessons
- Training provided to teachers for getting acquainted with the new teaching for atleast two months in the deployment phase
